

How to provide feedback on your learning experience

Education is constantly evolving, and your input is not only appreciated, but is key to helping us deliver optimal training. We rely on your input to know what worked well and what needs improvement. Thank you!

1. Scan this code >

OR

Type **Go/Learning** into your Chrome or Firefox browser

2. Select tile:

3. Locate and click on the course name

4. Scroll down to the 'Completion Status' section and click

Evaluate

5. Complete the Evaluation form and submit

Thank you! You are finished!
